

AVFF PUBLIC UPDATE

Your AVFF have had an enjoyable summer season in 2017. To this point this department has had no response calls and hope our luck holds out.

Following are a few statistics of this department;

We have 16 members to this point

8 members are year-round residents

One fire truck (which needs some TLC)

A fire truck Bay

Some Personnel Protective gear and basic fire fighting equipment

(These need to be upgraded)

We are actively looking for a Fire Chief

Our monthly meeting and training sessions have gone well with many agenda items being addressed and many more to respond to.

Our first annual golf tournament went extremely well, far beyond our expectations and I personally would like to thank all the citizens of this community for the support we have received.

Our profit from this event was **\$3940.00**. We therefore have a grand total sum of **\$ 8910.00** in our bank account.

THANK YOU again to all those who seen fit to support this event.

X
